**HON'BLE MR. JUSTICE ASHOK KUMAR GAUR****Order****08/02/2022**

This Court in all these matters had given direction to counsel appearing on behalf of the NEET Counseling Board to satisfy this Court, as in what manner the admissions have been granted by them in WDP Category in the first round of counselling.

Learned counsel for the petitioners submitted that the Authorities had not kept in mind the Standard Operating Procedure (SOP) for *inter-se* priority for reservation/preference for the Wards of Armed Forces Personnel and in particular SOP dated 01.07.2020, was not followed.

Learned counsel Mr. Harshal Tholia appearing for the respondents - NEET UG Medical Counselling Board submitted that after receipt of notice of the present writ petitions, the Authorities found that correct procedure was not followed as per the SOP dated 01.07.2020 and as such, the Counselling Board has decided to undertake the fresh exercise by following the SOP dated 01.07.2020.

Learned counsel Mr. Harshal Tholia, on instructions, further submitted that provisional merit list, prepared for WDP, will not be acted upon. The NEET Counselling Board by keeping in mind the SOP dated 01.07.2020, will undertake a fresh exercise.

Learned counsel further submitted that the Rajya Sainik Kalyan Board, Rajasthan has nominated one person i.e. Colonel Raghuraj Singh (Retired) to be present in the counselling/documents verification process and the entire exercise will be re-done by them, as per the SOP issued by the Kendriya Sainik Board, Ministry of Defence.

This Court expects that the cases of the petitioners and all other eligible candidates will be considered strictly in compliance with the SOP issued and then, fresh exercise will be undertaken.

The rights of the petitioners' will not be effected only on account of conducting the fresh counselling process, if any grievance remains after conducting the fresh counselling, the petitioners would be free to make their submissions in the present writ petitions.

List these cases on 15.02.2022.

A copy of this order be separately placed in each file.
